**PLAY UP WAIVER**

PONY Baseball and Softball is constantly exploring and developing opportunities to assist affiliated member organizations in the administration of their local leagues

PONY Baseball and Softball International Board of Directors has adopted legislation to allow affiliated member organizations baseball leagues the latitude to choose between the “TRADITIONAL” two year age program and/or the “AND UNDER” program in each age group.

Ahwatukee Foothills Pony Baseball has chosen to adopt the “AND UNDER” format into our local rules. Our local rules will allow your child to “play up” one age bracket.

Due to this format change parents are to be advised that at the time of request their child can be drafted into either our American (Competitive) or National (Instructional) divisions. Once you have elected to “play up” the player must stay in that league regardless of where or what division your child is drafted in.

If All Stars are important to you be advised that players are only eligible if they play in at least half of the season’s games. (Ex. A 10 year old player moving up to Bronco would not be eligible to “play down” in Mustang All Stars)

\_\_\_\_\_  
Name of Player

Division Requested (Circle One)                      **Pinto**                      **Mustang**                      **Bronco**                      **Pony**

I have read and understand the local rules governing the “AND UNDER” program and understand that once tryouts have begun the player listed above must stay in the age division requested.
